

AZAD'S MARTIAL ARTS CENTER BIRTHDAY CLUB

FREQUENTLY ASKED QUESTIONS

1. How many Birthday Party packages do you offer?

We currently offer three different levels of Birthday Party packages at Azad's Martial Arts Center. They are bronze, silver and gold packages. Each one offers higher levels of benefits and service progressively from Bronze to Gold. For more information, please contact us at Grandmaster@AzadsMartialArts.com.

2. How much of planning will I have to do?

It all depends on which birthday package you purchase. It really depends on you and your budget. Our birthday packages give you awesome flexibility so you will be involved in planning as much as you like.

3. Who will be supervising the party? I don't want the guests (child's friends' parents) to be worried.

All our birthday parties are supervised by experienced Jongshindo instructors at Azad's. They will be on hand to make certain that children learn and have fun in a safe and caring environment under watchful eyes of our supervisors.

4. My child loves martial arts, but I am not sure about their friends. Will they have fun too?

Most certainly! Our instructors are experts in making the entire experience fun for all guests. Parents enjoy their time socializing and watching while kids are having a ton of fun in activities and classes. Many kids may even discover that they have a real gift for kicking and other martial arts movements (in a controlled atmosphere of course).

5. I am worried that my child will be bored. Is the whole party like a martial arts class?

No. Martial arts instruction is only one part of the fun. We also provide kids with fun activities, games and much more during the party. Nobody will be bored.

6. I don't want my child to learn that violence is acceptable. Won't martial arts training or martial arts birthday party make them think it's ok to be bully or be aggressive?

Not at all! Jongshindo instruction teaches students to be respectful, mindful, kind and caring to one another and themselves. We never encourage aggression in or out of Azad's Martial Arts Center. In over 36 years of being in operation in Chico we have never had a situation when one of our students became violent because of their martial arts training.

7. What if my child decides that they want to take martial arts classes after the party is over?

That would be fantastic! That shows your child has really understood the fun of practicing a disciplined activity which will make him/her stronger mentally, physically, and emotionally. We'd be thrilled to have your child as a Jongshindo student at Azad's. We can provide you with information about our Introductory Course programs at Azad's Martial Arts Center.

8. How long in advance do I need to book my kids birthday party at Azad's?

Our birthday parties are super fun, and we get booked up at least a two month in advance. So, it would be best if you can book your birthday party on the date you desire at least a couple of months before the actual date you hope to reserve for your party. All you must do is email us at Grandmaster@AzadsMartialArts.com and one of our team members will take care of all the details for you.

9. How do I get more information about your three birthday party packages?
